UNITED STATES DISTRICT COURT  
NORTHERN DISTRICT OF CALIFORNIA  
SAN FRANCISCO DIVISION

IN RE JUUL LABS, INC., MARKETING,  
SALES PRACTICES, AND PRODUCTS  
LIABILITY LITIGATION

CASE NO. 19-md-02913-WHO

This Document Relates to:  
All Class Actions

**[PROPOSED] ORDER GRANTING  
MOTION FOR PRELIMINARY  
APPROVAL OF CLASS ACTION  
SETTLEMENT**

1 On December 6, 2022, Class Plaintiffs<sup>1</sup> entered into a settlement agreement to resolve  
2 economic loss claims asserted against JUUL Labs, Inc. (JLI) and certain additional Released Parties  
3 involving the manufacture, labeling, marketing, and sale of JUUL—an electronic nicotine delivery  
4 system consisting of an electronic cigarette and a nicotine pack called a JUULpod. Class Plaintiffs  
5 moved the Court for preliminary approval of the proposed class action settlement, the terms and  
6 conditions of which are set forth in the Class Settlement Agreement filed with the Court on  
7 December 19, 2022, Dkt. 3722-3.

8 The proposed settlement does not include Altria Group, Inc. or related companies (included  
9 but not limited to those named as Defendants in this litigation) so no class or individual claims against  
10 those entities will be released, and the litigation against those Defendants will continue.<sup>2</sup>

11 The Court has read and considered the Motion for Preliminary Approval (“Motion”) and all  
12 of the supporting documents, including the Class Settlement Agreement (as revised, see (ECF 3745-  
13 4) and attachments, the proposed Notice Plan, and the proposed Plan of Allocation (ECF 3724-3).  
14 The Court finds that there are sufficient grounds for the Court to direct notice of the Settlement to  
15 be disseminated to the proposed Settlement Class, and authorize the steps needed to determine  
16 whether the Class Settlement Agreement should be finally approved and the economic-loss claims  
17 set forth in the Released Claims against JLI and the Released Parties (~~other than~~ which do not  
18 include claims asserted in *In re Juul Labs, Inc. Antitrust Litigation*, Case No. 3:20-cv-02345-WHO  
19 that arise from alleged anticompetitive conduct) dismissed.

20 Accordingly, it is **HEREBY ORDERED** that:

21 **I. Settlement Approval**

22 1. The proposed Class Settlement Agreement is preliminarily approved as likely to be  
23 finally approved under Federal Rule of Civil Procedure 23(e)(2) and as meriting notice to the  
24 Settlement Class for its consideration. This determination is not a final finding that the Settlement  
25

26 <sup>1</sup> The capitalized terms used in this Order shall have the same meaning as defined in the Class  
27 Settlement Agreement and Plan of Allocation except as otherwise noted.

28 <sup>2</sup> In separate agreements, JLI has resolved the claims brought by other claimants in the MDL,  
including individuals who asserted claims for personal injury, school district and local government  
entities, and Native American tribal entities.

1 or Plan of Allocation are fair, reasonable, and adequate, but it is a determination that good cause  
2 exists to disseminate notice to Settlement Class Members in accordance with the Notice Plan and to  
3 hold a hearing on final approval of the proposed Settlement and Plan of Allocation.

4 2. Considering the factors set forth in Rule 23(e)(2), the Court preliminarily finds as  
5 follows:

- 6 a. Class Plaintiffs and Class Counsel have adequately represented the Class.  
7 b. The Class Settlement Agreement was negotiated at arm's length with the  
8 assistance of Thomas J. Perrelli, a well-respected and experienced private  
9 mediator, appointed by this Court.  
10 c. The monetary relief provided to the Settlement Class is adequate given the risks,  
11 delay, and uncertainty of continued litigation and trial, the effectiveness of the  
12 proposed method of distributing relief to the class, the terms of the proposed  
13 award of attorney's fees, and any agreement required to be identified under Rule  
14 23(e)(3).  
15 d. The Class Settlement Agreement and Plan of Allocation treat all Class Members  
16 equitably relative to each other.  
17 e. The scope of the Released Claims is consistent with the economic loss claims  
18 pled in the class action complaint, and specifically excludes from the Released  
19 Claims any personal injury claims and the claims asserted in *In re Juul Labs, Inc.*  
20 *Antitrust Litigation*, Case No. 3:20-cv-02345-WHO that arise from alleged  
21 anticompetitive conduct.

22 **II. Class Certification**

23 3. Based upon the Motion and other submissions of the Parties, the Court finds that the  
24 Settlement Class is likely to be certified for settlement purposes only. The Settlement Class is  
25 defined as: "All individuals who purchased, in the United States, a JUUL product from brick and  
26 mortar or online retailers before December 6, 2022." Excluded from the Settlement Class are: (a)  
27 the judges in this case, and any other judges that may preside (or have presided) over the Litigation,  
28 including the coordinated proceeding captioned *JUUL Labs Product Cases*, Judicial Counsel

1 Coordination Proceeding No. 5052, pending in the Superior Court of California, County of Los  
2 Angeles, Department 11, Settlement Master Thomas J. Perrelli, and their staff, and immediate  
3 family members; (b) JLI, any Released Party, and any other named defendant in the litigation; (c)  
4 employees, officers, directors, legal representatives, heirs, successors, and wholly or partly owned  
5 subsidiaries or affiliated companies of JLI, any Released Party, and any other named defendant in  
6 the litigation; (d) Class Counsel and their employees; (e) all purchases for purposes of resale or  
7 distribution; and (f) all individuals who timely and properly exclude themselves from the Settlement  
8 Class.

9 4. The Court previously certified a litigation class for claims under the federal  
10 Racketeer Influenced and Corrupt Organizations Act (18 U.S.C. § 1962) (“RICO”) and under  
11 California law for violation of the California Unfair Competition Law (Cal. Bus. & Prof. Code §  
12 17200), the California Consumer Legal Remedies Act (Cal. Civ. Code § 1750), the California False  
13 Advertising Law (Cal. Bus. & Prof. Code § 17500), common law fraud, the implied warranty of  
14 merchantability, and unjust enrichment. The Court finds, for the reasons stated in the Motion, that  
15 the Settlement Class largely overlaps with those previously certified by the Court and that, for  
16 settlement purposes only, there is a sound basis for expanding the scope of the previously certified  
17 classes to encompass all the Settlement Class Released Claims against JLI and the Released Parties.  
18 Although the Settlement Class includes JUUL products not included within the certified litigation  
19 classes, the common questions that drove the certification of the litigation classes would likewise be  
20 the focal points of certification with respect to the additional products, i.e. the reasonable consumer  
21 standard, the existence of a RICO enterprise, and whether the products were fit for their ordinary  
22 use.

23 4.5. The Court preliminarily finds that as follows, for purposes of Settlement only:

24 a. Members of the Settlement Class are so numerous as to make joinder  
25 impracticable. JLI’s direct sales data, which covers only a portion of the Settlement Class, contains  
26 over two million unique names, meaning that the proposed Settlement Class contains millions of  
27 members.

1            b. \_\_\_\_\_ There are questions of law and fact common to the Settlement Class. The  
2 litigation will focus on Defendants’ conduct, its capacity to deceive, its materiality, the existence of  
3 a RICO enterprise, the existence of a pattern of racketeering, the existence of a scheme to defraud,  
4 whether Defendants’ conduct was unfair and/or unconscionable, whether JUUL products were fit  
5 for their ordinary use, and the appropriate measure of aggregate damages.

6            b.c. \_\_\_\_\_, and such Common questions predominate over any questions affecting only  
7 individual Settlement Class Members for purposes of the Settlement because the Defendants’  
8 conduct will drive the litigation. That is particularly true in the settlement context. As the Ninth  
9 Circuit has held, “predominance is easier to satisfy in the settlement context.” *Jabbari v. Farmer,*  
10 965 F.3d 1001, 1006 (9th Cir. 2020); see also *Sullivan v. DB Inv., Inc.*, 667 F.3d 273, 304 n. 29 (3d  
11 Cir. 2011) (en banc) (courts are “more inclined to find the predominance test met in the settlement  
12 context”) (internal quotation marks and alteration omitted). That is because “[s]ettlement may  
13 ‘obviate the need to litigate individual issues that would make a trial unmanageable,’ making  
14 common questions more important in the relative analysis.” *Jabbari*, 965 F.3d at 1005-06  
15 (quoting *In re Hyundai & Kia Fuel Econ. Litig.*, 926 F.3d 539, 558 (9th Cir. 2019)). One issue that  
16 takes on significantly less importance in a settlement class is the particulars of the state law being  
17 applied. See *id.* at 1007 (“For purposes of a settlement class, differences in state law do not  
18 necessarily, or even often, make a class unmanageable.”). Even in the litigation context, “[w]hen  
19 ‘one or more of the central issues in the action are common to the class and can be said to  
20 predominate, the action may be considered proper under Rule 23(b)(3) even though other important  
21 matters will have to be tried separately, such as . . . some affirmative defenses peculiar to some  
22 individual class members.” *Tyson Foods, Inc. v. Bouaphakeo*, 577 U.S. 442, 453-54 (2016)  
23 (quoting 7AA C. Wright, A. Miller & M. Kane, Federal Practice and Procedure § 1778, at 123–24  
24 (3d ed. 2005)). Under California law, for example, class members would not need to show their  
25 individual reliance, and Class Plaintiffs’ California law claims focus on whether Defendants’  
26 conduct would have misled and have been material to a reasonable consumer. See *Krommenhick v.*  
27 *Post Foods*, 334 F.R.D. 552, 564, 565, 575 (N.D. Cal. 2020) (discussing the objective nature of the  
28 key inquires under the UCL, CLRA, and FAL). Class Plaintiffs may, for example, be able to

1 demonstrate classwide injury and damages through a price premium theory. *Hadley v. Kellogg Sales*  
2 *Co.*, 324 F. Supp. 3d 1084, 1104 (N.D. Cal. 2018) (“It is well-established that the ‘price premium  
3 attributable to’ an alleged misrepresentation on product labeling or packaging is a valid measure of  
4 damages in a mislabeling case under the FAL, CLRA, and UCL.”).

5 e.d. Class Plaintiffs’ claims and the defenses thereto are typical of the claims of  
6 the Settlement Class Members and the attendant defenses for purposes of the Settlement. Class  
7 Plaintiffs allege that Defendants misled JUUL purchasers, engaged in a fraudulent scheme to  
8 enhance JUUL sales, and engaged in unfair conduct to market JUUL products to minors. Those  
9 theories of liability and injury are the same for Class Plaintiffs and members of the Settlement  
10 Class. Class Plaintiffs’ allegation that JUUL products are not fit for their ordinary use is based on  
11 the design of JUUL products and is thus the same for Class Plaintiffs and members of the  
12 Settlement Class.

13 e.e. Class Plaintiffs and their counsel have fairly and adequately protected the  
14 interests of the Settlement Class Members in this action with respect to the Settlement, and will  
15 continue to do so. Each Class Plaintiff has the same goal as members of the proposed Settlement  
16 Class (i.e., holding Defendants accountable for their alleged deceptive and youth-focused  
17 marketing). Class Plaintiffs’ interests are aligned with, and not in conflict with, those of Settlement  
18 Class members. The record reflects that each Class Plaintiff has dedicated substantial time and  
19 effort to this litigation by working with their counsel; reviewing pleadings; responding to discovery;  
20 searching for, collecting, and producing documents; and preparing to sit for depositions, among  
21 other things.

22 e.f. A class action is superior to all other available methods for fairly and  
23 efficiently resolving this action. While individuals with personal injury claims may be motivated to  
24 file individual personal injury suits, the same is not true with respect to claims for economic losses.  
25 No plaintiffs have expressed a desire to individually litigate their economic loss claims; in fact,  
26 plaintiffs sought to litigate their economic loss claims as class actions instead of through their  
27 separate personal injury complaints. Given the substantial overlap among all class members’ claims,  
28 it is highly desirable to concentrate economic loss claims in a single proceeding.

1           ~~5. The Court previously certified a litigation class for claims under the federal~~  
2 ~~Racketeer Influenced and Corrupt Organizations Act (18 U.S.C. § 1962) (“RICO”) and under~~  
3 ~~California law for violation of the California Unfair Competition Law (Cal. Bus. & Prof. Code §~~  
4 ~~17200), the California Consumer Legal Remedies Act (Cal. Civ. Code § 1750), the California False~~  
5 ~~Advertising Law (Cal. Bus. & Prof. Code § 17500), common law fraud, the implied warranty of~~  
6 ~~merchantability, and unjust enrichment. The Court finds, for the reasons stated in the Motion, that~~  
7 ~~the Settlement Class largely overlaps with those previously certified by the Court and that, for~~  
8 ~~settlement purposes only, there is a sound basis for expanding the scope of the previously certified~~  
9 ~~classes to encompass all the Settlement Class Released Claims against JLI and the Released Parties.~~

10           6. The Court finds, for the reasons stated in the Motion, that Class Plaintiffs and Class  
11 Counsel should be conditionally appointed to represent the Settlement Class. The Court appoints  
12 Dena Sharp of Girard Sharp LLP as Settlement Class Counsel.

13 **III. Settlement Administration**

14           7. The Court appoints and designates Epiq Systems, Inc. as the Settlement  
15 Administrator.

16           8. The Court approves the proposed Notice Plan, including the form, method, and  
17 content of the proposed notices (as revised), as well as the proposed claim forms. The claim form  
18 and the notices are written in plain language, are easy to comprehend, and comply with the  
19 requirements of the Due Process Clause of the United States Constitution, Rule 23, and any other  
20 applicable law. The Court finds that, given the nationwide scope of the litigation and extensive  
21 notice being provided, notice via publication in a California newspaper under the CLRA is not  
22 required in this case.

23           9. Responsibility regarding Settlement Administration, including implementing the  
24 Notice Plan, processing of claim forms, making payments under the Plan of Allocation, and any  
25 other related tasks assigned to the Settlement Administrator under the Class Settlement Agreement  
26 or as this Court may order, shall be performed by the Settlement Administrator, subject to the  
27 oversight of Class Counsel and this Court as described in the Class Settlement Agreement. No  
28 distributions shall be made from the settlement fund, or any account holding the settlement fund,  
absent the express authorization of Class Counsel.

1           10.     The settlement fund shall be maintained as part of the JLI National Settlement Trust,  
2 which the Court established as a “qualified settlement fund” within the meaning of Treasury  
3 Regulation Section 1.468B-1. The settlement fund shall remain subject to the continuing  
4 jurisdiction of the Court.

5           11.     The Court authorizes the payment of up to \$3,000,000 from the Initial Class  
6 Settlement Administration Payment for notice and settlement administration costs and for trust  
7 administration costs prior to entry of Final Approval. The Settlement Administrator shall, on a  
8 weekly basis, provide Class Counsel with (1) billing records and (2) reports containing statistics  
9 concerning the delivery of notice, the submission of claims, and class member outreach (e.g. the  
10 number of calls to the toll-free website). The records and reports shall provide information as of the  
11 week prior to the report. Class Counsel shall review the billing records and reports within three days  
12 of receipt. Before engaging in any work that would result in costs exceeding \$10,000, regardless of  
13 whether such costs fall within the general scope of the previously-authorized work, the Settlement  
14 Administrator shall obtain the express written consent of Class Counsel. Class Counsel and the  
15 Settlement Administrator shall, based on the information provided by the Settlement Administrator  
16 concerning the effectiveness of initial notice efforts, confer regarding the need for and type of  
17 reminder notices.

18           12.     Prior to any payments being made for notice and settlement administration costs and  
19 for trust administration costs, Class Counsel shall review the billing records and pPayments shall  
20 only be made as reimbursement for costs that were previously authorized and already incurred.

21           13.     Pursuant to Rule 23(e)(2) and 28 U.S.C. § 1715(d), a Final Approval Hearing shall  
22 be held on the date set forth below, before the undersigned at the Phillip Burton Federal Building  
23 and U.S. Courthouse, Courtroom 2, 17<sup>th</sup> Floor, 450 Golden Gate Ave, San Francisco, CA 94102, for  
24 the purpose of finally determining whether (a) the Settlement Class should be certified for  
25 settlement purposes under Federal Rule of Civil Procedure 23(a) and (b)(3); (b) the Class  
26 Settlement Agreement and Plan of Allocation should receive final approval as fair, reasonable,  
27 adequate, and in the best interests of the Settlement Class in light of any objections presented by  
28 Settlement Class Members and the Parties’ responses to any such objections; (c) the applications of  
Class Counsel for the payment of attorneys’ fees and expenses and the payment of a service award

1 to each class representative are reasonable and should be approved, and (d) the Court should enter  
2 final judgment and dismissing Settlement Class Members' claims, as provided in the Class  
3 Settlement Agreement. The Final Approval Hearing may be postponed, adjourned, or continued by  
4 further order of this Court.

5 14. The Settlement Administrator shall provide a declaration attesting to its compliance  
6 with the obligations set forth herein and the terms of the Notice Plan by the deadline set forth  
7 below.

8 15. Each Settlement Class Member who wishes to be excluded from the Settlement  
9 Class must submit to the Settlement Administrator a written statement requesting exclusion from  
10 the Settlement. Such requests for exclusion must be made by submitting the online form on the  
11 settlement website or by mailing a valid exclusion request by First Class U.S. Mail to the address  
12 specified in the Long-Form Notice. Such requests for exclusion must be postmarked by the deadline  
13 set forth below. To be effective, the request for exclusion must:

- 14 a. Include the Class Member's full name and address;
- 15 b. Explicitly and unambiguously state his or her desire to be excluded from the  
16 Settlement Class; and
- 17 c. Be individually and personally signed by the Class Member (if the Class Member  
18 is represented by counsel, it must also be signed by such counsel).

19 16. Any Settlement Class Member who fails to submit a timely and valid written request  
20 for exclusion consistent with this Order shall be deemed to be a member of the Settlement Class (if  
21 finally approved) and as such shall be bound by all terms of the Class Settlement Agreement and  
22 orders of this Court pertaining to the Settlement Class.

23 17. Any member of the Settlement Class who elects to be excluded shall not receive any  
24 benefits of the Settlement, shall not be bound by the terms of the Class Settlement Agreement or  
25 any Final Approval Order, and shall have no standing to object to the Settlement.

26 18. Any Class Member wishing to make a claim must submit a Claim Form to the  
27 Settlement Administrator, pursuant to the instructions provided in the notice distributed to the  
28 Settlement Class. Whether submitted electronically online or mailed, Claim Forms must be  
postmarked no later than the deadline set forth below.

1           19. Any Settlement Class Member who does not submit a valid and timely request for  
2 exclusion may submit an objection to the Class Settlement Agreement. Any Class Member who  
3 intends to object to the Settlement or the Class Settlement Agreement (including any request for  
4 attorneys' fees, expenses, or service awards) must submit a written notice of objections to the Clerk  
5 of the Court and the Settlement Administrator. Objections are valid only if postmarked before the  
6 deadline set forth below. Objections must be individually and personally signed by the Settlement  
7 Class Member (if the Settlement Class Member is represented by counsel, the objection additionally  
8 must be signed by such counsel), and must include:

- 9           a. The case name and number (*IN RE JUUL LABS, INC.*, Case No. 19-MD-02913-  
10 WHO).
- 11           b. The objecting Class Member's full name, address, and telephone number, and, if  
12 available, email address;
- 13           c. An attestation that the objector is a member of the Settlement Class;
- 14           d. A written statement of all grounds for the Objection, accompanied by any legal  
15 support for the Objection;
- 16           e. Copies of any papers, briefs, or other documents upon which the Objection is  
17 based;
- 18           f. The name, address, email address, and telephone number of every attorney  
19 representing the objector; and
- 20           g. A statement indicating whether the objector and/or his or her counsel intends to  
21 appear at the Final Approval Hearing and, if so, a list of all persons, if any, who  
22 will be called to testify in support of the Objection.

23           20. The Settlement Administrator shall provide in writing to Defense Counsel and Class  
24 Counsel the names of those Class Members who have objected to the Settlement or who have  
25 requested exclusion from the Settlement Class in a valid and timely manner, and Class Counsel  
26 shall file a list of the persons who requested to be excluded from the Settlement Class and any  
27 objections (with supporting documentation) to the Settlement by the deadline set forth below.

28           21. Class Plaintiffs shall file a motion for Final Approval of the Class Settlement  
Agreement, including in response to any timely and valid objection to the Class Settlement

1 Agreement, and any motion for attorneys' fees, expenses, and service awards by the deadline set  
2 forth below. Such materials shall be served on any member of the Settlement Classes (or their  
3 counsel, if represented by counsel) whose objection is addressed in the Final Approval briefing.  
4 Copies of the motions shall be made available on the settlement website.

5  
6 22. Following the Final Approval Hearing, and based upon the entire record in this  
7 matter, the Court will decide whether the Class Settlement Agreement should be finally approved  
8 and, if so, whether any attorneys' fees and expenses should be awarded to Class Counsel, and  
9 whether service awards should be awarded to class representatives.

10 23. If the Court determines the Settlement is reasonable, fair, and adequate, the Court  
11 will issue a Final Order and Judgment.

12 24. Pending final determination of whether the Settlement should be approved, Class  
13 Plaintiffs and each Class Member, and any person purportedly acting on behalf of any Class  
14 Member(s), are hereby enjoined from pursuing, maintaining, enforcing, or proceeding, either  
15 directly or indirectly, any Settlement Class Released Claims in any judicial, administrative, arbitral,  
16 or other forum, against any of the Released Parties, provided that this injunction shall not apply to  
17 the claims of Settlement Class Members who have timely and validly requested to be excluded from  
18 the Class. This injunction will remain in force until the Effective Date or until such time as the  
19 Parties notify the Court that the Settlement has been terminated. This injunction is necessary to  
20 protect and effectuate the Settlement, this Order, and this Court's authority regarding the  
21 Settlement, and is ordered in aid of this Court's jurisdiction and to protect its judgments.

22 25. In the event that the proposed Settlement is not finally approved by the Court, or in  
23 the event that the Class Settlement Agreement becomes null and void or terminates pursuant to its  
24 terms, this Order and all orders entered in connection herewith shall be of no further force and  
25 effect, and shall not be relied upon any purposes whatsoever in this Litigation or in any other case  
26 or controversy, and the Class Settlement Agreement and all negotiations and proceedings directly  
27 related thereto shall be deemed to be without prejudice to the rights of any and all of the Parties,  
28 who shall be restored to their respective positions as of the date and time immediately preceding the  
execution of the Class Settlement Agreement.

26. Counsel for the Parties are hereby authorized to utilize all reasonable procedures in connection with the administration of the Settlement which are not materially inconsistent with either this Order or the terms of the Class Settlement Agreement.

27. The following deadlines shall apply and within three business days of this order Class Plaintiffs shall file a notice setting the specific calendar date for each of the deadlines set forth below:

Final Approval Hearing	[To be Determined by the Court]
------------------------	---------------------------------

Dated: \_\_\_\_\_, 202~~32~~

\_\_\_\_\_  
Hon. William H. Orrick  
U.S. District Court Judge
