Case No. 19-md-02913-WHO

**DECLARATION OF CAMERON R. AZARI,
ESQ., IN SUPPORT OF CLASS
PLAINTIFFS’ MOTION FOR FINAL
APPROVAL OF THE ALTRIA CLASS
SETTLEMENT AGREEMENT**

8 This Document Relates to:
9 CLASS ACTIONS

10
11 I, Cameron R. Azari, Esq., declare as follows:

12 1. My name is Cameron R. Azari, Esq. I have personal knowledge of the matters set
13 forth herein, and I believe them to be true and correct.

14 2. I am a nationally recognized expert in the field of legal notice, and I have served as
15 an expert in hundreds of federal and state cases involving class action notice plans.

16 3. I am a Senior Vice President with Epiq Class Action & Claims Solutions, Inc.
17 (“Epiq”) and the Director of Legal Notice for Hilsoft Notifications (“Hilsoft”); a firm that
18 specializes in designing, developing, analyzing and implementing large-scale legal notification
19 plans. Hilsoft is a business unit of Epiq. All references to Epiq within this declaration include
20 Hilsoft Notifications.

21 4. This declaration will provide settlement administration statistics following the
22 successful completion of the Settlement Notice Plan (“Notice Plan”) regarding the Altria Class
23 Settlement Agreement¹ in *In re JUUL Labs, Inc. Marketing, Sales Practices, and Products Liability*
24 *Litigation*, No. 19-md-02913-WHO, in the United States District Court for the Northern District of
25

26
27 ¹ As used in this Declaration, capitalized terms shall have the definitions and meanings ascribed
28 to them in the Altria Class Settlement Agreement attached as Exhibit 1 to the Declaration of
Dena C. Sharp, or such definitions and meanings as are accorded to them elsewhere in this
Declaration.

1 California (the “Action”).

2 **SUMMARY OF ALTRIA NOTICE PLAN IMPLEMENTATION**

3 5. Federal Rule of Civil Procedure, Rule 23 directs that notice must be “the best notice
4 that is practicable under the circumstances, including individual notice to all members who can be
5 identified through reasonable effort” and that “[t]he notice may be by one or more of the following:
6 United States mail, electronic means, or other appropriate means.”² The Notice Plan here satisfied
7 these requirements.

8 6. The Notice Plan was designed to reach the greatest practicable number of identified
9 Class Members. As expected, the reach of the Notice Plan exceeded 80% to the identified Class
10 Members. This reach percentage is calculated by combining the Individual Notice effort with the
11 extensive online Media Notice (while accounting for duplication across the various forms of
12 notice). The reach was further enhanced by a press release, sponsored search, and a case website.
13 Further information regarding implementation and preliminary results of the Altria Settlement
14 Notice is provided below. I will provide a supplemental Declaration to the Court prior to the Final
15 Approval Hearing to provide updated information regarding any requests for exclusion and/or
16 objections and updated settlement administration statistics.

17 **PREVIOUS DECLARATIONS IN THIS ACTION**

18 7. For the related settlement with JUUL in this same litigation, I previously executed
19 several declarations that are filed with the Court. For the Altria Settlement, I executed my
20 *Declaration of Cameron R. Azari, Esq., in Support of Motion for Preliminary Approval of the Altria*
21 *Class Settlement* (“Altria Notice Plan Declaration”) on July 26, 2023, ECF No. 4082-16, which
22 described the proposed Settlement Notice Plan and the proposed claim process regarding the Altria
23 Class Settlement Agreement. Subsequently, I executed my *Declaration of Cameron R. Azari, Esq.,*
24 *Regarding Altria Settlement Notice Plan Completion* (“Altria Notice Completion Declaration”) on
25 December 5, 2023, ECF No. 4166 which reported the successful implementation of the Settlement
26 Notice Plan (“Notice Plan”) and provided settlement administration statistics to date.

27 _____
28 ² Fed. R. Civ. P. 23(c)(2)(B).

1 8. This declaration will provide updated notice and claims administration statistics.
2 The facts in this declaration are based on my personal knowledge, as well as information provided
3 to me by my colleagues in the ordinary course of my business at Epiq.

4 **CAFA NOTICE**

5 9. On August 4, 2023, Epiq sent 58 CAFA Notice Packages (“CAFA Notice”) on
6 behalf of Defendant(s) Altria Group, Inc., Philip Morris USA, Inc., Altria Client Services LLC,
7 Altria Enterprises LLC, and Altria Group Distribution, as required by the federal Class Action
8 Fairness Act of 2005 (CAFA), 28 U.S.C. § 1715. The CAFA Notice was sent via United States
9 Postal Service (“USPS”) Certified Mail to 55 officials, which included the Attorneys General of 49
10 states, the District of Columbia, and the United States Territories. The CAFA Notice was also sent
11 via United Parcel Service (“UPS”) to the Attorney General of the United States and the Food and
12 Drug Administration. Details regarding the CAFA Notice mailing are provided in the *Declaration*
13 *of Kyle S. Bingham, on Implementation of CAFA Notice*, dated August 4, 2023, which is included as
14 **Attachment 1.**

15 10. To date, no entities sent the CAFA notice have sought to intervene in the litigation or
16 have raised any concerns or objections to the Settlement.

17 **SETTLEMENT NOTICE PLAN IMPLEMENTATION SUMMARY**

18 ***Individual Notice***

19 11. As detailed in my Notice Completion Declaration, from October 9, 2023, through
20 November 1, 2023, Epiq sent 8,312,007 Email Notices to all identified Class Members for whom a
21 valid email address was available. The population of identified Class Members includes individuals
22 with direct purchases from JLI and individuals who identified themselves by filing a claim or opt
23 out request in connection with the JLI Class Settlement. Subsequently, on November 6, 2023, Epiq
24 sent 152,258 Double Postcard Notices with a Claim Form with prepaid return postage on the Claim
25 Form (“Postcard Notice”). The Notices were sent via USPS first-class mail to all identified Class
26 Members (with known purchases of JUUL products), and an associated physical address to whom a
27 valid email address was not available or undeliverable after multiple attempts. The Email and
28

1 Postcard Notice provided a simplified manner for submitting a prepopulated claim form for those
2 individuals that had not already submitted a claim in the prior JLI Settlement.

3 12. As of January 12, 2024, for Postcard Notices that were returned as undeliverable,
4 Epiq re-mailed 14,554 Postcard Notices to any new address available through USPS information
5 and to any new addresses Epiq obtained from a third-party address lookup service.

6 13. Class Members were also given the option to request via a toll-free telephone
7 number or by mail that a Long Form Notice and Claim Form be mailed to them. As of January 12,
8 2024, Epiq had mailed 93 Long Form Notices and Claim Forms as a result of those requests.

9 *Media Plan*

10 14. The Media Plan as outlined in my Notice Plan Declaration was successfully
11 completed on December 6, 2023. The Media Plan supplemented the Individual Notices and
12 included a Digital Notice campaign, Sponsored Search Listing, and an informational release. The
13 Media Plan ran for 59 days, from October 9, 2023, through December 6, 2023. The Individual
14 Notice and Media Notice were supplemented with an Informational Release, which ran over *PR*
15 *Newswire* and *Uwire* on October 9, 2023. Combined, approximately 409,315,597 impressions were
16 generated by the Digital Notices, nationwide.

17 15. More details regarding the target audiences, distribution, and specific ad type of the
18 Digital Notices and Video Notices are included in the following table:

Case Website, Toll-free Telephone Number and Postal Mailing Address

16. On March 15, 2023, a case website (www.JuulClassAction.com) and a toll-free telephone number (1-855-604-1734) were established for the Juul Settlement to allow Class Members to obtain additional information about the Settlement. On October 6, 2023, the case website and toll-free telephone number messaging were updated to add information regarding the Altria Settlement. The existing postal mailing address and email address established for the Juul Settlement, continue to be available for the Altria Settlement allowing Class Members to request additional information or ask questions via these channels.

17. As of January 12, 2024, there have been 9,861,900 unique visitor sessions to the case website, and 52,742,013 web pages have been presented. There have been 247 calls to the toll-free telephone number representing 1,499 minutes of use, and service agents had handled 146 incoming calls representing 1,343 minutes of use.

1 *Requests for Exclusion and Objections*

2 18. The deadline to request exclusion from the Settlement or to object to the Settlement
3 is February 5, 2024. As of January 12, 2024, Epiq has received 179 requests for exclusion and no
4 objections to the Settlement.

5 *Claim Submissions*

6 19. The deadline for Class Members to file a Claim Form for the Altria Settlement is not
7 until February 5, 2024. As of January 12, 2024, Epiq had received 7,288,999 Claims (7,288,562
8 online and 437 paper). Since the February 5, 2024, claim filing deadline has not yet passed, these
9 numbers are preliminary. By that deadline, I expect a significant number of additional claims will
10 have been filed by Class Members. As standard practice, Epiq is in the process of conducting a
11 complete review and audit of all Claim Forms received. There is a likelihood that after detailed
12 review, the total number of Claim Forms received will change due to duplicate and denied Claim
13 Forms.

14 **CONCLUSION**

15 20. The Settlement Notice Plan provided the best notice practicable under the
16 circumstances of this case, conformed to all aspects of Federal Rule of Civil Procedure 23,
17 comported with the guidance for effective notice articulated in the Manual for Complex Litigation
18 4th Ed, and was consistent with the Federal Judicial Center’s Judges’ Class Action Notice and
19 Claims Process Checklist and Plain Language Guide (2010). As stated above, the reach of the
20 Notice Plan exceeded 80% of the identified Settlement Class. The Notice Plan was based on the
21 successful notice plan implemented in the prior JLI Settlement and was reviewed and analyzed
22 during its implementation to ensure it met the requisite due process requirements.

23 21. Prior to the Final Approval Hearing and consistent with the schedule established by
24 the Court, I will provide a supplemental Declaration to the Court, which will include a recap of all
25 notice implementation details, up-to-date notice and settlement administration statistics, a report on
26 any opt-outs received, and will address any objections received that may relate to the Settlement
27 Notice Plan.

1 I declare under penalty of perjury that the foregoing is true and correct. Executed on January
2 12, 2024.
